

Friday December 1

GLOBAL Give thanks for people faithfully praying for people affected by leprosy. Pray for the many resources used around the world - newsletters such as KIT, the ASK prayer diary, daily prayers, the PrayerMate app, and WhatsApp groups.

Saturday December 2

AUSTRALIA Advent begins tomorrow. Pray hearts and minds of people around the country will be open to the message of Jesus' love for all. Pray we will allow ourselves to slow down, experience community & show compassion to those in need.

Sunday December 3

GLOBAL On International Day of Persons with Disabilities pray people continuing to suffer the life-long consequences of leprosy will have their voices heard and included in decisions that directly affect their lives.

Monday December 4

INDONESIA Pray for partner organisation Yayasan NLR, continuing to show compassion for people affected by leprosy. Pray that together with The Leprosy Mission Australia we will see an increase in inclusion of people with leprosy and disabilities within their communities.

Tuesday December 5

AUSTRALIA On International Volunteer Day give thanks and pray for volunteers around the country giving their time and skills to raise

awareness and funds to show kindness to people affected by leprosy, discrimination, and disability.

Wednesday December 6

GLOBAL Pray communities in which leprosy is present will work together with governments, Not-For-Profits, and others to improve hygiene education and facilities. Pray immune systems will be strengthened to help fight off diseases such as leprosy.

Thursday December 7

AUSTRALIA Pray for The Leprosy Mission Shop as they continue to work alongside artisans and producers to provide sustainable livelihoods for people affected by leprosy and disability.

Friday December 8

INDIA Pray for more than 5,500 cases of leprosy in children diagnosed last year. Pray contact tracing will help reduce transmission of leprosy in their communities.

Saturday December 9

INDONESIA Pray for the 10% of leprosy cases diagnosed in children each year in Indonesia. Pray that through the Leprosy Friendly Village and Urban Leprosy projects fewer children will have to face leprosy.

Sunday December 10

GLOBAL On Human Rights Day pray for breakthroughs against discriminatory laws and practices directed at people affected by leprosy. Pray people with leprosy will have their voices heard at all levels of society.

Monday December 11

NIGERIA Pray for The Leprosy Mission Nigeria

(TLMN) seeking to improve the health and well-being of people affected by leprosy. Pray for training of health care workers, provision of clean water, provision of prosthetics, and many other services TLMN provides.

Tuesday December 12

GLOBAL On International Universal Health Coverage Day pray for people affected by leprosy, disability, and discrimination to access services that support them physically and mentally. Pray for governments to collaborate with The Leprosy Mission to increase understanding of the consequences when leprosy is left untreated.

Wednesday December 13

NIGERIA Pray for TLMN helping affected people develop stable livelihoods through Self-Help Groups. Pray for participants to develop skills to start and improve their businesses and increase their ability to have a voice in their communities.

Thursday December 14

TIMOR LESTE Pray for staff and volunteers working to bring sustainable solutions for the communities they serve. Pray people affected by leprosy will access these services and find healing and dignity for their lives.

Friday December 15

INDIA Pray for increased awareness of leprosy and the consequences of delaying diagnosis. Pray for more than 2,000 people last year who had signs of disability such as clawed hands when first diagnosed.

Saturday December 16
NEPAL Give thanks for the long service of around 40 staff who served at Anandaban Hospital for more than 25 years. Pray those retiring this year will enjoy retirement life.

Sunday December 17
NEPAL Pray for resources to train new staff, build capacity, and be equipped to support patients at the Self-Care Unit at Anandaban. Pray patients will benefit from care and training they receive to live full and healthy lives.

Monday December 18
GLOBAL Pray for peace and security for staff, volunteers, and participants of many leprosy projects around the world offering healing and dignity. Pray politics, conflict, and lack of understanding will not impact the chance to provide a better future.

Tuesday December 19
PAPUA NEW GUINEA Pray for the upcoming Christmas and holiday period that Natalie Smith and her staff will stay safe, be well rested, and able to spend quality time with their families.

Wednesday December 20
GLOBAL On International Human Solidarity Day pray for relationships between the Global Fellowship, partner organisations, governments, and especially people affected by leprosy, discrimination, and disability.

Thursday December 21
NEPAL Pray for Supporting Empowerment through Education Development (SEED) project staff as they support and motivate

students to continue their education and become active participants in their society.

Friday December 22
NEPAL Pray for students of the SEED Program either directly affected or the dependents of people affected by leprosy or disability. Pray students will grow in self-confidence and develop skills to create a better future.

Saturday December 23
AUSTRALIA Pray for The Leprosy Mission Australia staff taking a break over the Christmas and New Year period. Pray for rest and recharging of minds and bodies after a busy year. Pray for renewed energy and purpose for the year ahead.

Sunday December 24
INDIA Pray for nearly 400 students who received training at the Vocational Training Centre at Vadathorasalur in the last year. Pray these students will find sustainable employment to support themselves and their families.

Monday December 25
AUSTRALIA Today we stop to celebrate the birth of our Saviour Jesus Christ. Pray people gathered around the country in churches and homes will be filled with love, joy, peace, and hope for a brighter future for all.

Tuesday December 26
TIMOR LESTE Give thanks and pray for Country Leader Nona, her staff, and board. Pray for inspiration, wisdom, and guidance for the year ahead.

Wednesday December 27
GLOBAL Give thanks for people willing to share personal stories of how leprosy affects their lives. Pray people around the world will be impacted to respond to needs of people living with leprosy, discrimination, and disability.

Thursday December 28
INDIA Pray for Dr Premal, Executive Director of The Leprosy Mission Trust - India as he leads a large team of staff and volunteers, bringing a wide range of services to people suffering from leprosy and other diseases, as well as discrimination, and disability.

Friday December 29
AUSTRALIA Pray for wisdom and discernment for churches and groups in Australia making decisions on organisations to partner with in 2024. Give thanks for churches and groups who feel called to partner with TLMA to create a better, more equitable world.

Saturday December 30
GLOBAL Pray for The Leprosy Mission Global Fellowship who worked so effectively together this year. Pray for more opportunities to do so next year during the 150th anniversary of The Leprosy Mission.

Sunday December 31
AUSTRALIA On New Year's Eve celebrate all that God has enabled us to achieve for and with people affected by leprosy this year. Pray for wisdom and guidance for the year ahead.
