

Volunteer Prayer

Our Mission

Following Jesus Christ, The Leprosy Mission strives to break the chains of leprosy, empowering people to attain healing, dignity, and life in all its fullness.

Position

In the words of Wellesley Bailey, one of the founders of The Leprosy Mission, "The Mission was born and cradled in prayer, it has been brought up in prayer, it has been nourished in prayer, and prayer has been at the bottom of its success since the first moments of its life.

Prayer is still a vital part of ensuring people affected by leprosy can attain healing, dignity and life in all its fullness. You would be willing to spend regular time praying on behalf of people affected by leprosy.

As Christians Jesus has sent us the Advocate, the Holy Spirit, and we can all pray. But you may feel particularly called to pray for people affected by leprosy.

Tasks

Pray for people affected by leprosy. We will send you a Prayer Diary once a year, and a monthly prayer update.

We would ask you commit to praying at least once a week for people affected by leprosy, but that you would seek the Spirit's guidance in this.

I would love to hear why you feel called from this, and if you want some guidance in helpful prayer habits, would be happy to discuss those with you.
